LOVE FOR DUMB CREATURES.

A man's attachment for his dog is the most striking and most common illustration of friendship between human beings and four-footed creatures. Of the two the dog often shows the greater trust and more lasting affection, but cases are sufficiently numerous to prove that man appreciates his faithful friend, whose eloquent eyes and wagging tail are ever ready to speak a welcome. Between man and horse the bond is not so strong.

The suicide of an Oklahoma man because he was about to lose his faithful team of horses through the foreclosure of a mortgage may have been due in part to his general financial condition, but nothing of this sort figured in the death of John Crabtree, owner of a famous racing team, Maude C. and Hedgewood Boy. Crabtree, an Illinois man, who had often wished that he might die before either of his horses, was accidentally killed by hav-

WEAK WOMAN

Made Strong by Vinol
Plant City, Fla.—"I was so run-down, weak and nervous I could not do my house work or even bear to have my children come near me and could not sleep. I tried all kinds of medicine and was under the doctors' care for years without benefit. But Vinol has restored my strength. I sleep well and have gained 20 pounds."
—Mrs. C. H. MILLER, Plant City, Fla.
If Vinol fails to create strength for pale, weak, nervous, run-down men or women we return your money.

The Kaiser has gone to the front, but nobody expects him to go quite as far in that direction as his soldiers do.

With neutrality to maintain, Uncle Sam will hardly be able to keep as close a watch on Mexico as she has done heretofore.

One objection to federal of railroads is that it might take away that fat mileage allowance from our national law makers.

Germany's first call for financial aid will be made upon the people's savings. In other words, Germany expects every man to pay his duty.

ing his skull crushed in the door of a freight car. With a wife and five children who would have been glad, no doubt, to soothe his declining years, Crabtree's love for his pets had alienated him from his family. Although 67 years old, he stayed with his horse day and night, leaving them only for his meals.

Next to the dog, the horse among all four-footed beasts, enjoys the highest esteem of men. Yet, with all his good qualities, the horse can never be such a close companion to man as a dog can. His nature and his physical traits forbid this. And although instances are not uncommon where men have risked their lives to save their dogs, and some years ago, in a nearby state, the only son of wealthy and refined parents shot himself rather than give up his dog, it is seldom, indeed, that a man thinks enough of his horse to suffer any hardship rather than lose him.

Most Skin Trouble Readily Overcome

The Active Principle of a Famous Remedy Works Wonders.

Many people have marveled the way S. S. S. overcomes skin troubles. The explanation is the fact that S. S. S. works in the blood and the blood is really a most intricate and extraordinary mass of arteries and veins.

When you come to realize that the skin and the flesh beneath are composed of a network of tiny blood vessels you solve the mystery. There are wonderful medicinal properties in S. S. S. that follow the course of the blood streams just as naturally as the most nourishing food elements. It is really a remarkable remedy. It contains one ingredient, the active purpose of which is to stimulate the tissues to the healthy selection of its own essential nutrients. And the medicinal elements of this matchless blood purifier are just as essential to well-balanced health as the nutritious elements of meat, grains, fats and sugars of our daily food.

Not one drop of minerals or drugs is used in its preparation. Ask for S. S. S. and just insist upon having it. And if you desire skillful advice and counsel upon any matter concerning the blood and skin, write to the Medical Department, The Swift Specific Co., 529 Swift Bldg., Atlanta, Ga. Do not allow some zealous clerk's eloquence over something "just as good" as S. S. S. to fool you with the same old mineral drugs. Beware of all substitutes. Insist upon S. S. S.

War invariably raises the prices on imports and we may yet get an inkling as to just how much of this French imported wine is made in California.

There is no need to get excited over war until you know whether or not it's true. The imaginative correspondent is working overtime.

Queen Mary's steel-lined umbrella, which may have been intended to ward off showers of suffragette literature, is not needed for that purpose now.

TUBERCULOSIS

In addition to plenty of fresh air and proper diet, those suffering from who are predisposed to Tuberculosis are recommended to use Eckman's Alternative to stop night sweats, banish fever and hasten recovery. This medicine, by reason of its successful use during the past, warrants the fullest investigation possible by every sufferer. Eckman's Alternative is most efficacious in bronchial catarrh and severe throat and lung affections, and in building the system. It contains no narcotics, nor harmful or habit-forming drugs. Accept no substitutes. Sold by leading druggists. Write to the Eckman Laboratory, Philadelphia, Pa., for booklet telling of recoveries. PRICE \$1 AND \$2 A BOTTLE.

A parade by women to protest against war may have some effect, but the quickest way to stop it is for soldiers to go on a strike and let their rulers do the fighting.

At every soda fountain and corner grocery in America sit strategy board mapping out the course of war in Europe.

NOT SO STRANGE AFTER ALL.

You may think it strange that so many people are cured of stomach trouble by Chamberlain's Tablets. You would not, however, if you should give them a trial. They strengthen and invigorate the stomach and enable it to perform its functions naturally. Mrs. Rosie Rish, Wabash, Ind., writes: "Nothing did me the least good until I began using Chamberlain's Tablets. It is decidedly the best medicine for stomach trouble I have ever used." For sale by all dealers.

All women are beautiful, ingenious, and truthful.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

THE TWENTY YEAR TEST.

"Some twenty years ago I used Chamberlain's Colic, Cholera and Diarrhoea Remedy," writes Geo. W. Brock, publisher of the Enterprise, Aberdeen, Md. "I discovered that it was a quick and safe cure for Diarrhoea. Since then no one can sell me anything said to be 'just as good.' During all these years I have used it and recommended it many times, and it has never disappointed anyone." For sale by all dealers.

There is a turning point in every man's career—even if he isn't a crank.

STOPS NEURALGIA—KILLS PAIN
Sloan's Liniment gives instant relief from Neuralgia or Sciatica. It goes straight to the painful part—Soothes the Nerves and Stops the Pain. It is also good for Rheumatism, Sore Throat, Chest Pains and Sprains. You don't need to rub—it penetrates. Mr. J. R. Swinger, Louisville, Ky., writes: "I suffered with quite a severe Neuralgic Headache for four months without any relief. I used Sloan's Liniment for two or three nights and I haven't suffered with my head since. Get a bottle today. Keep in the house all the time for pains and all hurts. 25c., 50c. and \$1.00, at your druggist.

THE CASE OF L. L. CANTELOU.

The case of L. L. Cantelou, Clarendon, Texas, is similar to that of many others who have used Chamberlain's Colic, Cholera and Diarrhoea Remedy. He says, "After trying a doctor for several months, and using different kinds of medicine for my wife who had been troubled with severe bowel complaint for several months, I bought a 25c. bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After using the second bottle she was entirely cured." For sale by all dealers.

Try This Home-Made Cough Remedy

Costs Little, But Does the Work Quickly, or Money Refunded.

Mix one pint of granulated sugar with 1/4 pint of warm water, and stir for 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents' worth) in a pint bottle; then add the Sugar Syrup. Take a teaspoonful every one, two or three hours.

You will find that this simple remedy takes hold of a cough more quickly than anything else you ever used. Usually a deep seated cough inside of 24 hours. Splendid, too, for whooping cough, croup, chest pains, bronchitis and other throat troubles. It stimulates the appetite and is slightly laxative, which helps end a cough. Pinex is the most valuable concentrated compound of Norway white pine extract, and is rich in guaiacol and all the natural pine elements which are so healing to the membrane. Other preparations will not work in this formula. This plan of making cough syrup with Pinex and sugar syrup (or strained honey) has proven so popular throughout the United States and Canada that it is often imitated. But the old, successful Pinex has never been equaled. A guarantee of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex or get it for you. If not, send to The Pinex Co., St. Wayne, Ind.

TO HAVE PRETTY HAIR.

If your hair is not as soft and pretty, or as fresh and full as that of some friend, do as she does—give it daily attention, just the same care you would give a plant to make it healthy and beautiful. Luxuriant hair—soft, fluffy, thick and lustrous—is really a matter of care. If it is too thin, make it grow. If it is too dry and brittle, soften it up—lubricate it. If you have dandruff it is because the scalp is too dry and flakes off.

Parisian Sage, an inexpensive tonic, which you can get from any druggist or from J. H. Hill & Son, is just what you need—it softens the scalp, nourishes the hair roots, immediately removes dandruff, and makes the hair fluffy, lustrous and abundant. Parisian Sage takes away the dryness, stops itching head, makes the hair twice as abundant and beautifies it until it is soft and lustrous.

By the use of this helpful tonic any woman can easily make her hair fluffy, soft and pretty.
